

**Senator Kamala Harris** condoned and supported the destruction of evidence, the fabrication of a crime scene and the use of falsified, fabricated, videos and other evidence to incriminate a citizen of a crime. That is antithetical to American ideals; the Rule of Law and is a tyrannical abuse of power. Harris violated her oath of office by knowingly and deliberately violating the Constitutional rights of citizen eviscerating the equal protection clause in the process.

At the above website you will find empirical evidence that Senator Kamala Harris violated Calif. PC 32 and obstructed justice when she was the California Attorney General by colluding/conspiring with the Palo Alto Police and Santa Clara District Attorney's Office by concealing the crimes committed by police officers.

Harris was provided with irrefutable evidence that numerous felonies were perpetrated but she chose not to act on that evidence even though she was required to do so by California law when the DA refused.
